■ بزرگترین پایگاه استنادی جهان

■ سرچ در پایگاه: از طریق فیلد های زیر می توان سرچ در این پایگاه انجام داد.

The screenshot shows the Scopus search interface. At the top left, there is a logo for 'Institutional info' and 'Scopus'. A search bar is located at the top right. Below the search bar, the text 'Start exploring' is displayed. Underneath, there are navigation tabs: 'Documents', 'Authors', 'Researcher Discovery', and 'Organizations'. A 'Search tips' link is also present. The 'Documents' tab is selected. A dropdown menu is open under the 'Search within' section, listing various search fields: 'All fields', 'Article title, Abstract, Keywords', 'Authors', 'First author', 'Source title', 'Article title', 'Abstract', 'Keywords', 'Affiliation', and 'Affiliation name'. The 'Search documents' input field is visible, and a 'Search' button is located to its right. A blue arrow points from the left side of the slide to the 'Start exploring' section.

The image shows the homepage of the SJR (Scimago Journal & Country Rank) website. The header is orange and contains the text "SJR" and "Scimago Journal & Country Rank". Below the header is a search bar with the placeholder text "Enter Journal Title, ISSN or Publisher Name" and a magnifying glass icon. A white banner below the search bar contains the text "Official Statement of SCImago Lab". The main content area is titled "WHAT IS SCIMAGOJR FOR?" and features three columns of navigation options. Each column has an icon, a title, and an "EXPLORE" button. The first column has a book icon, the title "JOURNAL RANKS", and an "EXPLORE" button. A blue arrow points to this "EXPLORE" button. The second column has a globe icon, the title "COUNTRY RANKS", and an "EXPLORE" button. The third column has a bar chart icon, the title "VIZ TOOLS", and an "EXPLORE" button. An orange speech bubble with the Persian text "نمودار" (Diagram) is positioned over the "VIZ TOOLS" section.

SCIMAGO GRAPHICA

A new tool for exploration, visual communication and making sense of data. It is available for Mac, Windows and Linux.

GET IT

SHAPE OF SCIENCE

The Shape of Science is an information visualization project whose aim is to reveal the structure of science. Its interface has been designed to access the bibliometric indicators database of the SCImago Journal & Country Rank portal. The Shape of Science shows a very intuitive image of the interconnection of the different subject areas by the position of the journals. The individual profiles of the journals can be accessed from this interface. Hassan-Montero, Y.; Guerrero-Bote, V.; Moya-Anegón, F. (2014). [Graphical interface of the SCImago Journal and Country rank: an interactive approach to accessing bibliometric information](#). *El profesional de la información*, may-june, v. 23, n. 3, pp. 272-279.

OPEN

SUBJECT BUBBLE CHART

This tool enables you to build real time maps, bubble charts maps, according to your preferences. You can select a country and a period of two years between 1999 and 2017. At the top of the chart, there are a set of indicators available (Documents, Citable Documents, Cites, Self-Cites, Cites per

A decorative frame made of golden-brown lines with a square corner design. The frame is adorned with various autumn leaves in shades of yellow, orange, and red, scattered around the perimeter. The background is plain white.
